Subject: Request for Lead Narrative to Incorporate into FY2020 Budget Program Project Descriptions

Valerie,

I'm writing to request some narrative from you in support of the FY2020 budget request. As you know, we prepare separate narratives for each of ORDs programs within each appropriation. A new element that we would like to incorporate this year is a separate paragraph (just a few sentences at the executive level) that speaks to ORDs current and planned research related to lead (ie, ORD activities that support the Administrators reform plan priority areas). Can you send me these draft paragraphs, and suggestions of which programs to include them in, by COB, August 7, so that they can be incorporated into the narratives prior to IOAA review?

Please let me know if you have questions. Thank you,

Eric Burman, Acting Senior Budget Officer
Office of Program Accountability and Resource Management
USEPA/Office of Research & Development
